

CHATEAU HAUT-BRION

Château Haut-Brion 1926

Château Haut-Brion's tasting notes :

A VERY GOOD YEAR

The wine has aged remarkably well. It still has some fruit, but the dominant is its "Haut-Brion character" almost too pronounced with hints of caramel and licorice. A slightly hard, matured taste blends at the finish with the scents of mushrooms and flowers."

Weather conditions

Date of the harvest: 4th to 11th October.

Current vintage notes

Magnificent overall results, though the harvest was small and prices thus very high. A sound year everywhere. The wines are powerful and of good color. A trace of hardness should disappear with age. The best: Ausone, Haut-Brion, Lafite.
