

CHATEAU HAUT-BRION

## *Château Haut-Brion 1934*

Château Haut-Brion's tasting notes :

A VERY GOOD YEAR

A very handsome wine which seems to have approached its apogee. Still long, full, tannic and with much complexity of taste, with the flavor characteristic of Haut-Brion: smoky, grilled, ripe. Very velvety in the mouth.

*Weather conditions*

Sum of temperatures : 3317°C

Rain : 326 mm

*Current vintage notes*

A very fine summer, much awaited and harvest were good both for quality and quantity. 1934 ranks second only to 1922 in total volume, and this too goes back as long as accurate statistics have been kept (1800).
