

CHATEAU HAUT-BRION

Château Haut-Brion 1938

Château Haut-Brion's tasting notes :

AN AVERAGE YEAR

Wine dominated by tannin and wood. Typical of former methods of vinification. Though well matured, the wine remains very tannic. Highly concentrated as a result of the small harvest.

Weather conditions

Sum of temperatures : 3019 °C

Rain : 275 mm

Harvest : from 26/09/1938 to 07/10/1938

Current vintage notes

An average year, rather like 1939. In spite of a dry summer, the alcohol levels were low in the majority of the wines.
