

CHATEAU HAUT-BRION

Château Haut-Brion 1943

Château Haut-Brion's tasting notes :

A GOOD YEAR

Good smell of old wine, fresh enough, and not showing its age. In the mouth, the taste is mellow, rich, tannic but not to excess. A good bottle which seems to have reached its peak.

Weather conditions

Sum of temperatures : 3308 °C

Rain : 282 mm

Harvest : from 13/09/1943 to 28/09/1943

Current vintage notes

A very fine year, very hot and relatively dry. Because of the war, estates were not able to make the most of the vintage. An early growing season, with full flowering on May 29th.
