

CHATEAU HAUT-BRION

Château Haut-Brion 1945

Château Haut-Brion's tasting notes :

AN EXCEPTIONAL YEAR

An historic wine, and one of quite remarkable quality. Powerful, complex, great tannic richness, ample and fat, complete. A summit reached that can continue to improve for several more decades.

Weather conditions

Sum of temperatures : 3361 °C

Rain : 253 mm

Current vintage notes

The Victory Year. Early vine growth, and there was snow on May 2nd in Bordeaux, causing a dramatic freeze which destroyed 80% of the crop. The very hot and also very dry summer produced extremely concentrated grapes.

Domaine Clarence Dillon
