

CHATEAU HAUT-BRION

Château Haut-Brion 1959

Château Haut-Brion's tasting notes :

AN EXCEPTIONAL YEAR

Very great wine. Strong and refined bouquet, much roundness and complexity. A taste of ripe fruit and multiple flavors in the mouth. Great concentration. A marvelous bottle.

Weather conditions

Sum of temperatures : 3310 °C

Rain : 331 mm

Days where temperature above 30 °C : 21

Harvest : from 24/09/1959 to 03/10/1959

Current vintage notes

"The vintage of the century" foretold and baptized before the harvest. After a few hesitations, the wines have proved magnificent just about everywhere. Very hot during the harvest. Very concentrated wines."
