

CHATEAU HAUT-BRION

Château Haut-Brion 1967

Château Haut-Brion's tasting notes :

This wine has a saturated terracota colour which is to be expected given its age. It is a delicate elegant wine which still benefits from beautiful soft and silky tannins. The mouth feel could be described as a soft caress.

On the nose, we discover the true DNA of this very particular soil with burnt aromas of havana, coffee, cocoa...

Weather conditions

Sum of temperatures : 3120 °C

Rain : 278 mm

Days where temperature above 30 °C : 24

Harvest : from 25/09/1967 to 04/10/1967

Current vintage notes

A normal though dry year. Very agreeable wines throughout Bordeaux.
