

CHATEAU HAUT-BRION

## *Château Haut-Brion 1977*

Château Haut-Brion's tasting notes :

AN AVERAGE YEAR

A very rigorous selection at Haut-Brion. The balance is excellent and all the more astonishing considering the year. Supple, fairly round \ensemble\" in which one perceives firm tannin that needs time to mellow. One of the best '77's."''

*Weather conditions*

Sum of temperatures : 3065 °C

Rain : 411 mm

Days where temperature above 30 °C : 2

Harvest : from 06/10/1977 to 16/10/1977

*Current vintage notes*

A severe frost on Easter night [April 10th]. A rather cold year with a late vintage under variable weather. The wines have a rather weak structure and are evolving rapidly.
