

## CHATEAU HAUT-BRION

### *Château Haut-Brion 1984*

Château Haut-Brion's tasting notes :

#### AN AVERAGE YEAR

This vintage suffers from its proximity to the great years of 1982, 1983 and 1985, but 1984 is harmonious, well structured with great finesse. Late picking but good weather conditions all through the harvest.

#### Weather conditions

Sum of temperatures : 3111 °C

Rain : 423 mm

Days where temperature above 30 °C : 15

Harvest : from 27/09/1984 to 12/10/1984

#### Current vintage notes

A cold and wet spring. July was hot and dry. A few very hot days permitted to get on with the late start. September was satisfactory with good weather conditions all through the harvest.
