

Château Haut-Brion 1985

Château Haut-Brion's tasting notes:

A VERY GOOD YEAR

A great Haut-Brion, velvety and with a great elegance. A poweful wine, complex and with a long finishing. An outstanding bottle.

Weather conditions

Sum of temperatures: 3185 °C

Rain: 311 mm

Days where temperature above 30 $^{\circ}\text{C}$: 16

Harvest: from 23/09/1985 to 08/10/1985

Current vintage notes

A great wine of a late year. A drought never seen, one of the hottest years of this Century but a few days of fog early September helped the grapes that had been dying off to ripen.
